b) If you use a Gmail account, you will be redirected to a Google sign-in page to complete the process. Use the password for that account.

If you are already logged into your Gmail account in your browser, you will automatically be logged into the IMF RA website. No need to enter your password.

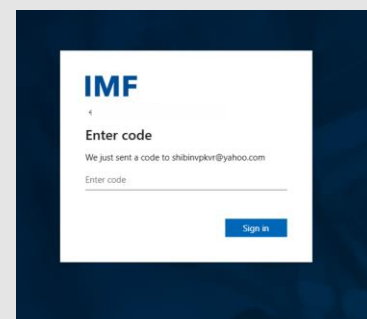

c) If you use a Microsoft registered email, you may be redirected to a Microsoft sign-in page to complete the process. Use the password for that account.

Microsoft registered emails may also ask you to verify your identity using a code sent to your email address or another verification method connected to your Microsoft account. Follow the on-screen instructions to continue.

d) If neither option applies, a One-Time Password will be sent to your registered email address. Please enter the code you receive and click [Sign in](#).

Accept IMF Permissions

3. Upon logging in with your email and password, you will be asked to Accept Permissions for the IMF.

Select [Accept](#) to continue.

NOTE: If you are using a Microsoft registered email, you may see additional Microsoft prompts after signing in, such as Stay signed in? or other account confirmation messages. These are normal Microsoft security prompts. Select the option that best meets your preference and continue.

Congratulations! You are now successfully logged in to **IMF Retiree & Alumni Association**.
